OBJECTIVE

Aspiring DevOps and Cloud Engineer seeking to leverage my technical skills and cloud knowledge to contribute to scalable and secure infrastructure. Eager to grow in a dynamic environment while continuously learning modern DevOps practices.

SKILLS

PROGRAMMING LANGUAGES:	C/C++, Java, Python, HTML, CSS, JavaScript
LIBRARIES & FRAMEWORKS:	ReactJS, TailwindCSS
DATABASES:	MongoDB, MySQL
Infrastructure & AWS Services:	AWS (EC2, Auto Scaling, Load Balancer, Snapshot, EBS, S3, RDS, DMS, CloudWatch, CLI, CloudFront, VPC)
Security & Monitoring:	IAM, IAM Policies, Security Groups, CloudTrail, VPC Security, WAF
DevOps Tools:	RHEL(Linux), Git/GitHub, Jenkins, AWS CLI, Terraform (learning), Docker(Learning), Kubernetes (learning)
TOOLS And TECHNOLOGIES:	Visual Studio Code

CERTIFICATIONS

- [AWS Cloud Developing – AWS Academy \(2024\)](#)
- [Introduction to Cloud – AWS Academy \(2023\)](#)
- [IBM Cloud Essentials – IBM \(2025\)](#)
- [Cloud Security Foundations – AWS Academy \(2024\)](#)
- [Advanced Programming With C++ – IBM\(2025\)](#)

WORKSHOPS & TRAININGS

AWS Cloud Workshop – “Cloud Sprint”

[Certificate](#)

JECRC University | Dec 2024

Participated in a 2-day hands-on workshop focused on core AWS services such as EC2, S3, IAM, RDS and VPC. Gained practical experience in cloud deployment strategies and AWS infrastructure management.

EDUCATION

JECRC UNIVERSITY

Aug 2023 - Present

Masters of Computer Application – (MCA) Specialization
(Cloud Computing - AWS)
PERCENTAGE: 70.68

Jaipur, Rajasthan

UNIVERSITY OF RAJASTHAN | Sri Balaji College of Engineering and Technology

July 2020 – May 2023

Bachelors of Computer Application – (BCA)
PERCENTAGE: 67.93

Jaipur, Rajasthan

PROFESSIONAL EXPERIENCE

Zeetron Network Pvt. Ltd., Jaipur

DevOps Intern

Feb 2025 – Present

- Assisted in managing and deploying **cloud infrastructure using AWS** (EC2, S3, IAM, VPC, CloudWatch).
- Implemented **CI/CD pipelines** using GitHub Actions and Jenkins for automated deployments.
- Developed shell scripts and used AWS CLI for **automation of routine DevOps tasks**.
- Provisioned **infrastructure and containers** using Terraform and Docker.
- Wrote basic Ansible playbooks for **configuration management and deployment automation**.
- Worked extensively on Linux (RHEL) environments for **server provisioning and troubleshooting**.
- Collaborated with the DevOps team to **monitor systems and improve deployment workflows**.

PROJECTS

FOOD RECIPE WEBSITE

[GitHub](#)

Technologies: REACT JS, NODE JS, EXPRESS JS, MONGODB

- Developed a full-stack recipe-sharing platform with user authentication, likes/saves, and category filtering.
- Built **RESTful APIs** with **Express.js** and **MongoDB** for recipe management.
- Designed a responsive UI using **React.js** and **TailwindCSS**.

REALTIME CHATTING SYSTEM

[GitHub](#)

Technologies: REACT JS, NODE JS, EXPRESS JS, MONGODB

- Real-time messaging with text, images and videos, User authentication and authorization using **JSON web Tokens(JWT)**, User profiles with profile pictures .
- Friend system with friend request and friend list, Emojisupport and stickers, group chats.

AWS Infrastructure Setup

Tools & Technologies: AWS EC2, EBS, S3, VPC, IAM, CloudWatch, Apache HTTP Server, AWS CLI

Description: Implemented a basic AWS cloud infrastructure to simulate a lightweight production environment and host a static website with monitoring and secure access.

- Launched an **EC2 instance**, installed Apache server, and hosted a static HTML website.
- Attached an **EBS volume** for persistent storage.
- Designed a **custom VPC** with public subnet, internet gateway, route table, and security groups.
- Configured an **S3 bucket** for file storage and static content delivery.
- Set up **CloudWatch alarms** to monitor instance health and usage.
- Managed **IAM roles and policies** to control access to AWS resources.
- Followed AWS best practices for security and resource management using **AWS CLI**.

STRENGTHS

- | | |
|-------------------------------|-----------------|
| • Problem-Solving Skills | • Quick Learner |
| • Strong Communication Skills | • Honesty |
